During 1973, the Town Hall offices underwent extensive remodeling, using the appropriation voted at the March Town Meeting.

Utilizing the space vacated by the Library, a new office-conference room was created, used by the Selectmen and other Town Boards. The new office and the Town Clerk's office were both carpeted, adding a great deal of color and "warmth".

With great pleasure and appreciation, the Selectmen accepted the most generous gift of Mrs. Edna C. Hicks, who served as Town Librarian for many years. When Mrs. Hicks sold her home in Danville, she presented to the town her prized heirloom, a beautiful antique grandfather's clock. It adds a striking partner to the Selectmen's roll-top desk.

TOWN MEETING MARCH 6, 1973

The meeting was called to order by Town Clerk Rosemary Caldwell at 10:00 A.M. in Town Hall. After the Town Clerk read the Warrant, she called for nominations for Moderator Pro-Tem. The only name to be placed in nomination was Mr. Roland Marmen; he was subsequently elected by voice vote. After a motion was carried to postpone consideration of Articles 2-15 and 18 until the Business Meeting on March 9, 8:00 P.M. at the Danville Elementary School, the Moderator Pro-Tem then declared the polls open for voting on Articles 1, 16 and 17.

Article 1. Voted to choose all necessary Town Officers for the year ensuing.

Article 2. Voted to raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same; it was voted to accept the budget as written, exclusive of the proposed appropriation for Library equipment.

Article 3. Voted to spend the interest of the Parsonage Fund for preaching for the ensuing year.

Article 4. Voted to authorize the Selectmen to hire money for use of the Town in anticipation of taxes.

Article 5. Voted to authorize the Selectmen to sell Tax Title property, provided said property be sold by public auction.

Article 6. Voted to raise and appropriate such monies as necessary to carry out the recommendations of the Salary Committee authorized by the 1972 Town Meeting; voted to accept "Report on Wages, Salary & Fringe Benefit Recommendations for the Town of Danville, New Hampshire, January 1973", amended as follows: "That the Social Security proposal be eliminated;" "That the Secretary-Treasurer of the Trustees of Trust Funds receive \$25.00 to \$50.00 annually;" and "That the Check List Supervisors be paid not less than the Federal Minimum Wage Rate."

Article 7. Voted to authorize as many as five (5) members of the Conservation Commission.

Article 8. Voted against authorizing the Selectmen to require a bond by any land owner permitting his land to be used for gravel, loam, fill and/or excavation operations or for logging operations.

Article 9. Voted to designate Tucker Town Road as a scenic road under the provisions of RSA 253:17, 18; and further

that said road shall remain closed and in an unimproved (unpaved) surface condition to protect the scenic and historic character of said road.

Article 10. Voted to suspend the issuance of building permits for new residential construction, with the exception of houses and mobile homes, where zoned, built for land-owner occupancy only, for a period of one year, commencing March 9, 1973.

Article 11. Voted to authorize the withdrawal from the Revenue Sharing Fund established under the provisions of the State and Local Assistance Act of 1972 for use as set-offs against budgeted appropriations for the following priority purposes, not to exceed a total amount of \$11,000.00: Fire, Police and Highway.

Article 12. Voted to authorize that the balance and accrued interest of the Lester A. Colby Capital Reserve Fund be continued in a Capital Reserve Fund for future construction for the Colby Memorial Library.

Article 13. This article was passed over, due to the vote on Article 12, as amended.

Article 14. Voted to raise and appropriate the sum of \$900.00 for the purchase of radio equipment for the Police Department.

Article 15. Voted to raise and appropriate the sum of \$1,100.00 for the purchase of furniture and fixtures for the Town Hall Offices.

Article 16. Voted against the proposed amendment to Article V. Paragraph A. Mobile Homes, of the Danville Zoning Ordinances: "To include Johnson Road and Hunt Road as now known."

Article 17. Voted to amend Article IV, Paragraph A. Lot Area and Yard Requirements, of the Danville Zoning Ordinances as follows: "That the word one (1) acre be deleted, and that the word two (2) acres be placed in its stead."

Article 18. Voted not to reconsider Article 8. Voted to observe a moment of silence in tribute to former Danville Town Clerk, Mrs. Amy Demaine.

The polls closed at 6:42 P. M., March 6, with the results of the voting announced by the Moderator Pro-Tem at 9:30 P. M. On March 9, the Business Meeting was called to order at 8:00 P. M. by the Town Clerk, who immediately called for nom-

inations for Moderator Pro-Tem. Mr. William J. Mace, Jr., duly nominated and seconded, was elected without opposition. The Business Meeting adjourned at 10:10 P. M.

REPORT OF THE POLICE DEPARTMENT

Duties of the Police Department have increased as Danville continues to grow and greet new families.

In April, new phone stickers were distributed with Fire Department and Police Department telephones listed. If you did not receive yours or do not have one for each phone in your home, please contact your Police Department at 382-4443.

Regular monthly Police Department meetings have been held with the Chairman of the Board of Selectmen in an effort to maintain a better informed department and cooperation in all areas.

It has been said, a Police Officer has to have a combination of the qualities found in a Doctor, Lawyer, School Teacher, Psychiatrist, Marriage Counselor and Minister of Faith. We find this to be very true and have made every effort to develop these qualities. We are concerned with the protection and welfare of each citizen.

Policemen need the support of the community to assist them in their work and thanks go to all those citizens who have assisted in various ways throughout this past year. Special thanks to the members of L. E. A. D. (Law Enforcement Association of Danville). In addition to financing and distributing the phone stickers, this organization has assisted in promoting various community programs, and has purchased for the Police Department some much-needed items, such as three new revolving blue lights, four shirt badges and four hat badges. They also provided four copies of the new N. H. Criminal Code Manual, containing the new statutes which went into effect November 1.

Officers must keep up-to-date on these things, and to assist in learning process the Governor's Commission on Crime and Juvenile Delinquency had special seminars during April, May and June. Officers Robert Wilson and Eleanor Goldthwaite attended all sessions and received 24 hours of schooling, and Officer Frank Waters attended 16 hours. The Chief and these three officers also attended a special class in Court Procedure, held by our County Attorney, in August. These hours are included in the more than 200 hours which were donated by our officers this year. Other donated time was for Sunday School duty, traffic control at fires, duty at youth dances and other civic affairs.

Telephone calls received by this department during the year totalled 939, in addition to 71 calls made in person to the Chief's residence. A partial breakdown follows:

Breaking & Entering, Stolen or Missing Items & Vandalism	24
Accidents Reported	20
Investigations on Misc. Complaints (Trespassing, family & neighborhood disputes, disturbances, etc.)	240
Complaints on Mini-Bikes, Motorcycles & Snowmachines	26
Messages Delivered	35
Serial Number Verifications	16
Other Emergencies & Assistance Calls (Includes inquiries)	214
Missing Persons Reported	7
Summons Served	12
Warning Tickets Issued	31
Defective Equipment Tickets Issued	15
Fire Calls	15

Dogs and Other

This year, it seems right to have a special report for this portion as we are fortunate to have a kennel in town that will take care of our stray dogs, since law requires a stray be kept ten days.

Thanks to Mr. and Mrs. William Banks and son John for the loving care given to the dogs in their keeping. At no extra charge to the town, they keep any dog not claimed by owner until a home can be found for it. They work cooperatively with the Police Department in making every effort to locate owner by answering ads describing missing dogs and by advertising dogs in their care.

All calls and investigations are handled through the Police Department and a listing of these follows:

Complaints on Dogs, Cats, Horses, Cows, etc. (Dogs 67; Other 27)	94
Dog bites reported	7
Dogs Reported Missing (30 found by or returned to owners)	35

Stray Dogs Reported: 22 Taken to Dog Kennel	
(Established ownership for 12; Found homes	
for 18)	30
Dogs killed or injured by accident	15

REPORT OF THE FOREST FIRE WARDEN

AND DISTRICT CHIEF

The New Hampshire Forest Fire Service is represented in every town, city or unorganized place in our state by the forest fire warden. Anyone wishing to kindle an outside fire when the ground is not covered with snow must first obtain the written permission of the fire warden. Except for cooking fires, no fire can be kindled between 9:00 A.M. and 5:00 P.M. unless it is a commercial or industrial burn or it is raining. The fire warden is assisted in his work by the District Forest Fire Chief who works for the Department of Resources and Economic Development Forest Fire Service.

Fire prevention was, again this year, the most important part of the Forest Fire Warden's job. Fire statistics show the need with 72% of the fires caused by smoking, debris burning and children. Smokey the Bear is an important prevention tool but he still needs much help from the public. Parents should warn their children of the hazards of playing with matches. Children tend to forget that a lighted match held in their hand is a potential forest fire.

1973 forest fire record:

I would again like to take this opportunity to thank both townspeople and the Town Officials for their cooperation with this Department during 1973.

REPORT OF THE CEMETERY SEXTON

During 1973, the three cemeteries were kept in good condition with help from the Rockingham Youth Corps.

A total of sixteen boys and girls worked on projects about town. Marie Hadley and Carlene Collins managed to keep the lawn mowers going between cemeteries, ball park and town parks.

The group cleared three acres of Town land on the Hunt Road spur by trimming and burning trees and brush.

The boat landing on Long Pond was also cleared of brush and debris. During the summer, brush was also cut on the corners of Town roads.

REPORT OF THE CEMETERY TRUSTEES

The Trustees would again like to encourage all persons having lots in the public town cemeteries to establish a trust fund for their perpetual care

All lots are required to have corner stone markers and cement vaults are required for all burials.

Lots are for sale in both town cemeteries. As voted at the March, 1972 Town Meeting, the following fees apply: \$25.00 per grave for residents, and \$50.00 per grave for non-residents.

REPORT OF THE PLANNING BOARD

We wish to thank Ed Battis, Bill Byron, Phil Emilio and Carroll Kimball, who resigned in 1973, for their advice and encouragement while members of the Planning Board. Their counsel will be missed. New members on the Board include Roland Marmen, Ruth Rich, Gerry Stubbs and Peter Suich.

Eight plats for subdivision were presented and approved. A public hearing regarding the proposed high tension lines was held. Representatives from Public Service Company of New Hampshire and Exeter & Hampton Electric Company explained to those in attendance their reasons for crossing Danville with power lines and their effect on the Town.

Public hearings were held regarding various changes to 1970 Zoning Ordinances.

In 1974, we plan to continue modifying, amending, and further updating the Zoning Ordinances.

A reminder that all meetings of the Planning Board are open to the public and attendance is welcome. Coffee is served.

COLBY MEMORIAL LIBRARY

Our first full year in the new Library has been a very busy and rewarding one. We registered 117 new patrons; loaned over 2,500 items; purchased many fine books with the emphasis on reference works; and borrowed over 1,000 volumes from the State Library, the Bookmobile Office and through Inter-Library Loans. Mrs. Jain Himot was appointed Assistant Librarian.

The hours open were increased to twelve:

Tuesday: 3:30 p.m. to 9 p.m.

Wednesday: 9:00 a.m. to 1 p.m.

Thursday: 6:30 p.m. to 9 p.m.

Gift volumes numbered over 200, including Memorials to Roger Wicker and Aaron Davenport. Equipment and magazine subscriptions were given by townspeople, out-of-town friends and former residents.

New services include the loan of picture puzzles, chess and checkers, and the Busy Bee Summer Reading Club for children. Chess sets borrowed from the school for the summer were so popular we bought our own in September.

During the year, we hosted the Southeast District Book Selection Meeting, a coffee for the teachers, Mrs. Toulas' first-grade class, and story hours.

This is your library. Do come in to register or a free library card and start on a great adventure.

REPORT OF THE CONSERVATION COMMISSION

A twenty per cent return of the Conservation questionnaires was realized. The Commission met and reviewed suggestions. As a result, James F. Hayden of the U. S. Dept. of Agriculture in Exeter was asked to prepare a map of "Soil Interpretation for Selected Land Use" for Danville. This map on local soil behavior is available to all.

The Commission was pleased that the town voted Tuckertown Road as a Scenic Roadway at the 1973 Town Meeting.

On May 19, we joined with Kingston in sponsoring a recycling day at the Kingston dump. It was done in Danville on a neighbor-to-neighbor basis and with the help of Cub Scout Pack 13. The Cubs also cleaned up the picnic area on the Kingston Road at the same time.

The Commission urged passage of House Bill 307, Current Use Assessment Law. This bill passed and will take effect April 1, 1974. Eight types of (open space) land are covered: farm land, flood, forest, recreation, wild, wetland, zoned and discretionary easement. Further information is available from the Commission.

Another meeting was held on August 23 with Michael J. Dalton of Exeter & Hampton Electric Co. and Richard A. Nichols of Public Service Co. of N. H. concerning the location of the new power line through Danville from the proposed Kingston substation to the Sandown line. They wish to acquire a strip wide enough to include the towers for lines from the proposed nuclear plant in Seabrook.

During the fall, a series of meetings were held in Hampstead and Derry concerning a "Rockingham Recreational Roadway." This would enable the setting aside of old railroad beds for use by hikers, horses, skmobilers, etc. Applications were made to the Ford Foundation for a grant to assist in this project. However, the project is currently stopped due to the situation of bankruptcy of the Railroad, but an interest continues to retain this strip for recreational use.

On November 3, the Annual Meeting of N. H. Conservation Commissions was held in Nashua. House Bill 817 was explained in detail. It provides a greater degree of local review and participation in "dredge and fill" projects in areas of surface waters.
